SEARCH2017 a success! Fall meeting planned!

The South Central Telehealth Resource Center and the newly-formed Society for Education and the Advancement of Research in Connected Health (SEARCH) recently hosted SEARCH2017, a telehealth research symposium, at the Lansdowne Resort in Leesburg, Virginia on April 4 & 5.

The event showcased connected health efforts, strategies and partnerships, specifically those focused on the research of telemedicine, telehealth, eHealth, mHealth and other healthcare technologies. Over 80 speakers and guests spent one and one-half days discussing how to advance education and research for connected health systems.
